

[Case Reports in Oncology Journal and Images](#) accepting journal of Oncology case reports, images in Oncology journal, image journal of Oncology, case reports journal of Oncology images, journal of Oncology reports etc. Oncology Journal is a sub-specialty of medicine dedicated to the investigation, diagnosis and treatment of people with cancer or suspected cancer. It includes: preventative medicine, medical oncology (chemotherapy, immunotherapy, hormone therapy and other drugs to treat cancer), radiation oncology (radiation therapy to treat cancer) surgical oncology (surgery to treat cancer), and palliative medicine.

Case Reports in Oncology Journal and Images publishes diagnosis and treatment of cancer. Some oncologists specialise in a particular type of cancer treatment. Part of a multidisciplinary team, the oncologist also supports the patient through collaboration and coordination of other specialists. Oncologists are not only involved in clinical care, but also contribute to cancer research (including therapeutics, biology, epidemiology and clinical outcomes research), health education, clinical teaching and ethics.
