

IRENE S. BANDONG, MD, FPCR, FUSP, FPSNM, FDBISP

Mobile No. +63 917 627 0255

email address: isbandong@stlukes.com.ph

ORCID ID: <https://orcid.org/0000-0001-5721-0533>

CREDENTIALS

1997	Philippine Medical Licensure Examination	-	Passed
2001	Philippine Board of Radiology	-	Passed
2002	Specialty Board of Ultrasound Society of the Philippines	-	Passed
2003	Fellow of the Philippine College of Radiology	-	Passed
2009	Philippine Board of Nuclear Medicine	-	Passed
2012	Fellow of the Philippine Society of Nuclear Medicine	-	Passed
2016	AIR Pneumo Examination	-	Passed
2017	Fellow of Diagnostic Breast Imaging Society of the Philippines		

PROFESSIONAL and TEACHING ACTIVITIES

Member, Philippine Board of Radiology Philippine College of Radiology	February 2024 to present
Member, Radiology Research Committee Group Department of Radiology Ospital ng Maynila Medical Center	December 2023 to present
Head, Publication Committee Clinical Trial and Research Division, Philippine Heart Center	December 2021 to present
Member, Research Committee Group Institute of Radiology, St. Luke's Medical Center-QC, Philippines	February 2021 to present
Head, Research Committee Group Department of Nuclear Medicine and PET/CT Center St. Luke's Medical Center- Quezon City	February 2021 to present
Training Officer Department of Nuclear Medicine and PET/CT Center St. Luke's Medical Center- Quezon City	July 2020 to present
Assistant Professor 1 YL4 and YL5 interns' coordinator – nuclear medicine elective rotation Department of Nuclear Medicine and Theranostics St. Luke's Medical Center College of Medicine – William H. Quasha Memorial -QC	July 2020 to present
PRO NCR Chapter, Philippine College of Radiology	February 2020 to December 2023
Vice-President Philippine Radiologic Society of Nuclear Medicine and Molecular Imaging Philippine College of Radiology	January 2023 to present
Assistant Professor 1 Department of Radiology, Chinese General Hospital	August 2019 to present
Research Coordinator Clinical Trial and Research Division, Philippine Heart Center	August 2019 to present
Consultant Breast Imaging Section Department of Radiology, Philippine Heart Center	August 2019 to present
Consultant Department of Radiology, Philippine Orthopedic Hospital Quezon City, Philippines	June 2018 to present
Head, Molecular Breast Imaging Section Asian Breast Center, Centuria Medical Makati Makati, Philippines	August 2017 to Nov 2019

Part time Research Consultant S.V. More, Pharma Inc, Quezon City, Philippines	August 2015 to present
Head, Radiology Research Committee 2020Institute of Radiology, St. Luke's Medical Center-QC, Philippines	March 2015 to December
Consultant Institute of Radiology and Department of Nuclear Medicine and PET/CT SectionSt. Luke's Medical Center-QC, Philippines	August 2009 to present
Visiting Consultant Department of Radiology, Pamantasan ng Lungsod ng Maynila	Jan 2016 to present
Asst. Professor Department of Radiology, Pamantasan ng Lungsod ng Maynila	March 2006 to March 2011
Consultant Department of Radiology, Pamantasan ng Lungsod ng Maynila	Jan 2006 to Dec 2011
Head, Breast Imaging Section presentDepartment of Radiology, Seaman's Hospital, Manila, Philippines	July 2003 to
<u>EDUCATION</u>	
Master in Health Professions Education University of the Philippines, Manila	Aug 2019 - present
Basic Course in Health Professions Education University of the Philippines, Manila	August 2018- May 2019
Master of Science in Clinical Epidemiology University of the Philippines, Manila Completed 32 units	June 2010 – May 2012
Basic Course in Occupational Medicine Philippine College of Occupational Medicine Inc PMA, Quezon City, Philippines	July 22–August 2, 1997
Doctor of Medicine Manila Central University, Philippines	June 1991– April 1995
B.S Biology Far Eastern University, Philippines	June 1987 – October 1990
<u>RESIDENCY TRAININGS:</u>	
<u>Radiology</u> St. Luke's Medical Center, Philippines	January 1998 – December 2001
<u>Nuclear Medicine</u> 2008Philippine Heart Center, Philippines	January 2007 – December
<u>FELLOWSHIP TRAININGS:</u>	
<u>Ultrasound and Mammography</u> 2002St. Luke's Medical Center, Philippines	January 2002–December
<u>CT and MRI</u> St. Luke's Medical Center, Philippines	January 2003 – December 2004
<u>Research</u> Research and Biotechnology DivisionSt. Luke's Medical Center, Philippines	April 2005 – March 2006

International Visiting Fellowship Trainings:

64 Multi-slice Advanced Cardiac CT Training Program
Mount Elizabeth Hospital, Singapore

June 13-June 16, 2006

Vascular Ultrasound

Department of Radiology
Thomas Jefferson University Hospital and Jefferson Medical
College Philadelphia, USA

August 20-31, 2012

PET –CT and Peptide Radionuclide Receptor Therapy

Klinik und Poliklinik für
Nuklearmedizin Universitäts
Klinikum Bonn, Germany

Sept 1-30, 2012

PET-CT and Peptide Radionuclide Receptor Therapy

THERANOSTICS Center for Molecular Radiotherapy and Molecular
Imaging ENETS Center of Excellence, Zentralklinik Bad Berka, Germany

Oct 1-Nov 30, 2012

Sentinel node mapping

Department of Nuclear Medicine
Centre Hospitalier Lyon Sud,
France

October 14-18, 2013

Theranostics, Radiosynovectomy and PET-CT neuroimaging

Department of Nuclear Medicine
Universitätsklinikum, Leipzig
Leipzig, Germany

September 14-25, 2023

LECTURE:

Philippine College of Radiology (PCR) 74th Annual Convention. **Molecular breast imaging.**
February 24, 2022.

Philippine College of Radiology (PCR) 74th Annual Convention. **Imaging of musculoskeletal infections.** February 24, 2022.

Indonesian Society of Nuclear Medicine and Molecular Theranostics (ISNMMT) - GE webinar
lecture on **Imaging on extranodal lymphoma**, September 16, 2021

Indonesian Society of Nuclear Medicine and Molecular Theranostics (ISNMMT) - GE webinar
lecture on **Imaging on Rhabdomyosarcoma and other soft tissue sarcoma**, June 3, 2021

Indonesian Society of Nuclear Medicine and Molecular Theranostics (ISNMMT) - GE webinar lecture on
Imaging on Osteosarcoma and other Primary Bone Tumors, April 8, 2021

Philippine College of Radiology (PCR) Annual Convention, **Role of FDG PET-CT on Gynecologic Malignancy.** February 25, 2021

Indonesian Society of Nuclear Medicine and Molecular Theranostics (ISNMMT) - GE webinar lecture on
Imaging on Gynecological Malignancies, January 14, 2021

Indonesian Society of Nuclear Medicine and Molecular Theranostics (ISNMMT) - GE webinar lecture on
Imaging on Colorectal Cancer, October 15, 2020

Indonesian Society of Nuclear Medicine and Molecular Theranostics (ISNMMT) - GE webinar lecture on
Imaging on Mediastinal Tumors and Mesothelioma, July 23, 2020

Philippine College of Radiology (PCR) Annual Convention, **Hybrid Imaging PET/CT Application for Lung Cancer**, February 27, 2020, SMX Convention Center, Manila

Philippine College of Occupational Medicine (PCOM) Annual National Convention **Imaging of Occupational Lung Diseases**, March 22, 2019 in Manila Hotel

Philippine Society of Oncologist (PSO) Annual Convention, **Molecular Breast Imaging**, September 22, 2018 at Diamond Hotel

Philippine Society of Nuclear Medicine (PSNM) Annual Convention, **Molecular Breast Imaging**, February 3, 2018 at Ilo-ilo Convention Center

Philippine Society of Nuclear Medicine (PSNM) Annual Convention **Evaluation of Neonatal Cholestasis using Ultrasound and Hepatobiliary Scintigraphy**, February 4, 2017, Davao City

Philippine College of Radiology Annual Convention. **Prostate cancer theranostics**. February 24, 2024.

PUBLICATION:

“Accuracy of Coronary Artery Calcium Score Using 16-Slice Spiral CT in Detection of Coronary Artery Disease among Filipino Patients” Irene S. Bandong, MD, Janet Balmadrid, MD, Henry Lazo, MD, Ariel Miranda, MD. **St Luke’s Medical Journal of Medicine. Volume 03 Number 02. July-December 2005**

- Second Place in the Annual Paper Presentation of the Institute of Radiology 2005, St. Luke’s Medical Center

“Paget’s Disease of the Pelvis: A Case Report.” Irene S. Bandong, MD and Jerry M. Obaldo, MD. **The Philippine Journal of Nuclear Medicine. Volume 1 Number 2. January- December 2008**

- Third place in the Annual Interhospital Paper Presentation of the Philippine Society of Nuclear Medicine, 2007
- Presented in the 9th AOCNMB October 2008 , New Delhi, India

“Bone metastases in 21 patients with differentiated thyroid carcinoma: The influence of age and response to therapy” Elyzel B. Puguon, MD and Irene S. Bandong, MD. **The Philippine Journal of Nuclear Medicine. Volume 7. July- December 2012**

- Finalist in the Annual Interhospital Paper Presentation of the Philippine Society of Nuclear Medicine, 2011

“Metastatic lymph nodes from papillary cancer detected using 99Tc pertechnetate” Gerard F. Goco MD, Elyzel B. Puguon MD, Joel C. Mendoza MD, and Irene S. Bandong MD. **The Philippine Journal of Nuclear Medicine. Volume 7. July- December 2012**

- Finalist in the Annual Interhospital Paper Presentation of the Philippine Society of Nuclear Medicine, 2011

“Clinical outcome of radioactive iodine therapy among patients with hyperthyroidism in St. Luke’s Medical Center Philippines” Irene S. Bandong, MD and Joel Mendoza, MD. **Journal of Nuclear Medicine. Volume 7. May 2014**

High- vs. low-dose radio-iodine therapy for initial thyroid remnant ablation in post-thyroidectomized patients with non-metastatic differentiated thyroid cancer: A meta-analysis. Joel C. Mendoza; Irene S. Bandong. **The Philippine Journal of Nuclear Medicine**

Association of lymphovascular invasion with metastasis (loco-regional lymph node or distant) among adult Filipino patients with papillary thyroid carcinoma: A case control study: Eric-Ray D. Linchangco; Irene S. Bandong; Gerard-Fabian L. Goco. **The Philippine Journal of Nuclear Medicine**

Age-stratified mean values of prostate volume among Filipino males in a tertiary hospital: A single center study. Alvin-Christopher D. Lavadia; Buenaventura-Jose B. Reyes; Tovi-Adriane F. Gumiran; Irene S. Bandong. Philippine Journal of Urology ; : 20-25, 2022

“Prognostic value of computed tomography psoas muscle size in predicting major adverse cardiovascular event in elderly: A meta-analysis. Alexis Joyce Sanchez, MD and Irene Bandong, MD. Journal of Hypertension. January 2023

Clinical profiles and in-hospital short term outcomes of suspect, probable and confirmed adult COVID-19 patients at Philippine Heart Center: A descriptive study. Ana Katrina Longos, MD. Maria Teresa Abola, MD, Irene S. Bandong, MD, Ma Encarnita Blanco-Limpin,MD, Alexander Tuazon, MD and Lorraine Grace Almelor-Sembrana, MD. Philippine Journal of Internal Medicine. Volume 61 Number 3. October December 2023

- 3rd place in the oral research presentation in the 2021 MMHRDC International Symposium and Scientific Conference, September 2021
